2013 Review Class Schedule for the CFP ® Certification

KEIR INSTRUCTOR LED CLASSES

Keir Educational Resources provides both review materials and classes for the CFP ® Certification Exam. Keir's review materials summarize the important information on all the topics tested by the CFP ® Board. In addition, we include an in-depth case studies book, plus a financial calculator book to help you solve the complex calculations with your financial calculator.

- Cost of materials: $420 (Basic Package)
- Cost of class tuition: $550
- All classes are 32 hours of review
- All locations and dates are listed below

"Thank you again for the great class in Kansas City! It really paid off. I received my results in the mail today. Your class was a huge help to me in my studies and I would (and have) recommend your class to anyone interested in the program.
-M Feit

"Great job on the Keir CFP® Review class. I passed the exam on the first try. I know I wouldn't have been able to do it without your class!"
-J. Ringer

"I passed the CFP® exam in March and I believe it was due to your excellent class!
J. Edmonds

"Anyone who wants to pass the CFP® Exam should use your materials and attend a session. I have no doubt the instruction was a big factor in my successful completion of the exam!"
-E. McMullen
