

# College Financial Planning

If you are worried about how to pay for college, you are not alone!

Choosing a college involves many factors. The **right** college must fit the student's academic goals **and** the family bank account!

For the first time, there is a personalized college planning service that takes the mystery out of what college will really cost and how to pay for it.

Introducing the **College Cost & Planning Report™** from **+studentaid.com**
